- 7 The most imposing correspondence is the BUDGET CALL in 2 parts (72&73) followed in one month by (74,75,76 & 77) This requires new dimensions of cost estimation for this laboratory. It will take a concerted effort on the part of the entire team to come up with a real close estimate this time and the explanation for our estimate.
- 8 Preliminary Technical Description for Misssion 7107 due 2 April but we are requesting a delay until one month after second part of Budget Call...ie, 24 June 1971.
- 9 Justification for MILCON addition to 3rd floor of Bld 56 north end.
