From: Director, Program C
To: Director, Naval Research Laboratory

Subj: POPPY Ground Processing Development Plan;
authorization for (S/E)

Ref: (a) PM-16-41 Statement of Work on ONR Contract
[redacted] BYE-52,208/72

Encl: (1) Ground Processing Funding Breakdown (FY 72)

1. ~~(S/E)~~ The purpose of this letter is to forward authorization to proceed with ground processing improvements already agreed in committee, with details negotiated between the responsible parties. Reference (a) is one of these efforts and is hereby authorized for implementation. It is understood that this work statement is the negotiated plan for the upgrading of POPPY ground processing using the System 86. This letter also authorizes previously agreed improvements to the SEL 810.

2. (U) Funding is provided through normal CNM/NAVAIR channels, with the breakdown shown in Enclosure (1).

3. ~~(S/E)~~ These efforts are understood to be required now, totally aside from present planning for the next generation. Ocean Surveillance system now in the definition stages. Lessons learned in the POPPY system will greatly aid development of all stages of the new system.
