

DEPARTMENT OF THE AIR FORCE  
OFFICE OF THE SECRETARY

MEMORANDUM

March 9, 1966

MEMORANDUM FOR DR. FLAX

Dr. Brown, after reading the proposed memo from General Evans concerning the MOL Program, commented that the memo, as written, is not clear and discusses only the PSAC changes. Dr. Brown stated that the memo should mention the slippage and the reasons since there is a difference of approximately nine (9) months.

Would you please rewrite the memo for the Secretary?
