DORIAN SECUR.

EYES ONLY TO GENERAL BLEYMAIER FROM GENERAL STEWART. I HAVE RECEIVED INSTRUCTIONS FROM DR. BROWN AND DR. FLAX THAT WE MUST TAKE IMMEDIATE AND POSITIVE ACTION TO REDUCE THE MOL PROGRAM TO A SPENDING LEVEL WHICH WILL NOT EXCEED A \$500 MILLION NOA IN FY 69 WITH AN "EXPOSURE" POSITION NOT TO EXCEED A TOTAL OF \$35 MILLION AT THE END OF FY 69. AT THE LAST PRC, I RECALL THAT YOU ESTIMATED A 5 TO 6 MONTH SLIP IN THE PROGRAM SCHEDULE AT AN FY 69 LEVEL OF \$520 MILLION WITH NO EXPOSURE. THEREFORE, I ASSUME THAT ON THE BASIS OF AN FY 69 NOA OF \$500 MILLION WITH A \$35 MILLION EXPOSURE AT THE END OF THE FISCAL YEAR, THE SCHEDULE IMPACT SHOULD BE ESSENTIALLY THE SAME. REQUEST YOU NOT NOTIFY THE CONTRACTOR OF THIS SITUATION OR CONVENE A NEW SCHEDULING CONFERENCE PRIOR
