DORTIAN SECUR.
FOR GENERAL BLEYMAIER FROM COLONEL FORD, INFO MR. RUTTER,
THE FOLLOWING IS A SUGGESTION WHICH HAS PROBABLY ALREADY
ACCURRED TO YOU, BUT I THOUGHT IT MIGHT BE USEFUL TO MENTION
IT. I AM SURE THAT THE OCCASION WILL ARISE IN CONGRESSIONAL
TESTIMONY AND MANY OTHER PLACES OVER THE NEXT YEAR OR SO WHERE
THE QUESTION WILL BE ASKED CONCERNING HOW MUCH OF THE MOL
INVENTORY WE MANAGED TO SALVAGE AND PUT TO GOOD USE. THERE-
FOR, YOU MIGHT WISH TO TASK THE TCOS TO SET UP AN INFORMAL
REPORTING SYSTEM WHICH: A. IDENTIFIES AND DESCRIBES MAJOR
ITEMS OF THE MOL INVENTORY (MAYBE WE DEFINE A MAJOR ITEM AS
ONE WHICH HAS A VALUE OF \$1 MILLION OR MORE); B. THE DISPOSITION
OF THE ITEM; C. USE TO WHICH THE ITEM WILL BE APPLIED;
D. AND THE ESTIMATED DOLLAR VALUE OF THE ITEM.

I AM REASONABLY SURE THAT THESE DATA WILL PROVE TO BE
OF CONSIDERABLE VALUE AND I AM FAIRLY SURE THE QUESTION WILL
BE ASKED. WOULD VERY MUCH APPRECIATE YOUR VIEWS.
