

NRO SUCCESSFULLY LAUNCHES PAYLOAD FROM TITAN IV

10 September, 2003

A National Reconnaissance Office payload was successfully launched aboard a Titan IVB rocket from Cape Canaveral AFS, Fla. Sept 9 at 12:29 a.m. Eastern Daylight Time.

"This launch was a tremendous team effort by the Air Force, the NRO and our contractor partners," said Col. Chip Zakrzewski, director of the NRO's Office of Space Launch and mission director for the launch.

The Lockheed-Martin Titan IVB was launched from Cape Canaveral's Launch Complex 40.
