1. Lightly draw a circle with a dotted line at an angle.
2. Mark a point about halfway to the center on the line.
3. Following oval, draw a series of arches (like a cloud).
4. Connect the top arch to the middle arch.
5. Finish outline of bucket and connect to half-way point.
7. Connect center point to remaining tips of parachute.
8. Add some shading.
9. Add some color.
