CONT. SYSTEM ONLY

THE SECRETARY OF DEFENSE
WASHINGTON

CORONA

14 00022781D

30 October 1964

Dear John:

This will confirm our discussion of today concerning USIB requirements for satellite reconnaissance.

- (a) I understand the requirements to be as follows:
 1. Two successful buckets per month for CORONA.
 2. [REDACTED]
- (b) We will schedule and buy for these requirements with adequate provision for failure.
- (c) We will commence operations under these requirements on 1 January 1965.

We will submit a monthly report on the attached form.

Sincerely,

Incl

The Honorable John A. McCone
Director of Central Intelligence
