23 November 1964

MEMORANDUM FOR: Deputy Director (Science & Technology)

1. I have no objection to this procedure, but DNRO must not have final authority to make decisions in this purely intelligence problem.
2. Research it and then give me a procedure (with necessary implementing letter or memo, or USIB action) by which DNRO will report his findings and proposals either to DCI or Chairman, USIB, for review and approval.
3. Without undue delay, please.

Marshall S. Carter
Lieutenant General, USA
Deputy Director

Copy

Ref. B Comments

"... and shall examine and make recommendations, as appropriate, on such related matters as dissemination and any special security controls required, but shall not undertake to provide operational guidance."

Ref. D Comments (NRO)

"... the National Reconnaissance Office, under the operational direction and control of its Director, is responsible for the management of all aspects of the NPR, including but not limited to:

---Maximum use will be made of appropriate---
capabilities and resources of the DOD, NSA, and CIA
to support all collection and processing projects--
initial imagery processing, titling, production and
delivery of the collected product to the users as
specified by the USIB."
