## **Video Tape**

"A Point in Time"

This sheet is a place-holder for a video tape entitled "A Point in Time." The tape tells the story of the development and operation of CORONA, the country's first satellite reconnaissance system, and of the impact it had on our Nation's policy makers. The tape is in VHS format and has a running time of approximately 56 minutes.

To view this tape, please contact the Reading Room librarian.
