MEMORANDUM FOR: Chief, Operations Division, OSA

SUBJECT: Requirements for CORONA Mission 9039

The following targets in order of priority were given to Intel/OSA at noon on 21 June 1962 by the Chairman of COMOR for implementation in Mission 9039:

Priority I -- ICBM search along the Trans-Siberian belt from Vladivostok West to Yoshkar-Ola; Yoshkar-Ola to Rostov; Yoshkar-Ola to Murmansk and Yoshkar-Ola to the Polyarnyy Ural Area. Also included in Priority I are: Tyuratam, Kapustin Yar, Shary Shagan, Klyuchi, and Semipalintinsk. Emphasis to be put on those areas in the Trans-Siberian belt outlined in yellow tape on the target chart (areas of the Soviet Union lying within the ICBM belt not heretofore covered by quality CORONA photography).

Priority II -- All areas within the red-hatched lines representing those areas West of Moscow and in middle-Asia not heretofore covered by quality photography.

Priority III -- All black dots, which represent COMOR's highest priority targets and are not included in the aforementioned areas.

Priority IV -- All areas outlined in green tape on the target chart (areas of the Soviet Union not heretofore covered with quality photography through Mission 9029).

These requirements were previously communicated orally to the CORONA Section.
