## MEMORANDUM FOR THE RECORD

SUBJECT: Luncheon Meeting with BOB Representatives

Harry Davis and I had lunch with

Mr. James W. Clark  
 Mr. C. William Fischer  
 Mr. Charles A. Sorrels

of the Bureau of the Budget today. They discussed a number of issues which they wished to raise at the August 1969 Executive Committee meetings. They also expressed the view that they would like to present cases informally to the NRO Staff. The Staff would then comment on the validity of the BOB positions.

It was agreed that Mr. Sorrels would send me draft issue papers for comment.
