Dear Homer:

The Survey Applications Coordinating Committee will soon have two vacancies in the Department of Defense membership: Colonel Lew Allen, who has been transferred to the position of Director, National Reconnaissance Office Staff, and Colonel Paul Worthman, who is being retired by the Air Force.

I understand that Nevin Palley and David Williamson, our Executive Coordinators on the Manned Space Flight Policy Committee, have had discussions regarding the possibility of reducing the membership of SACC to two representatives each from NASA and the DOD and generally agree that this is a good idea. Following their suggestion, I plan to assign only one new member to SACC: Lt Colonel William R. Yost, who is the Deputy Director for Plans and Policy of the NRO Staff. This would make our new DOD membership Nevin Palley and Lt Colonel Yost.

Sincerely,

*for* John S. Foster, Jr.
