MEMORANDUM FOR GENERAL ALLEN

SUBJECT: Note from Dr. McLucas

John McLucas handed me a handwritten note at the close of the ExCom meeting yesterday. It said the following:

"Bob Naka,

- 1 "Let's get set for U-2 phaseout after 1971. ✓
- 2 "Please collect some names for the task force Packard wants on H. ✓
- 3 "Let's see if we have the work in good enough shape to answer the key questions next spring on readout. *Down*
- 4 "Let's analyze Ling Report, compare various approaches to getting more resolution." *Done*

While I'm on the Pacific trip with John, would you please pursue Items 2 and 4 on HEXAGON and Very High Resolution. Item 3 is a matter for the Staff and particularly Bob Geiger to be aware of as a target date. I will handle Item 1 on my return.

*F. Robert Naka*
