**ORGANIZATIONAL ANNOUNCEMENT  
DIRECTOR, OFFICE OF SPACE LAUNCH**

I am pleased to announce Colonel Matthew E. Skeen as the new Director, Office of Space Launch (OSL) and the National Reconnaissance Office (NRO) Mission Director effective 15 July 2016. Colonel Skeen has a broad background in space and missile systems with 5 years of NRO experience and over 15 years of space launch, ballistic missile, and acquisition program management experience. Most recently, Colonel Skeen served as the Senior Program Manager, [REDACTED], Signals Intelligence Systems Acquisition Directorate, NRO.

(b)(3)

Colonel Skeen relieves Colonel Clint H. Hunt who has served as the Director, OSL, since 13 October 2013. Colonel Hunt will continue to serve at the NRO supporting OSL as the Launch-61 Mission Director.

Please join me in congratulating Colonel Skeen on his new assignment.

  
Betty J. Sapp  
Director
