All,

Thanks to everyone who contributed ideas for [Redacted] Slogan. My apologies in advance for those who are fans of ancient dead languages, but I'm going to veto all Latin phrases. They're hard for people to understand and remember...what the heck does "Supra Et Ultra" mean?!? So, that means Ricky Bobby quotes are off the table too...sorry! The slogans below are all relatable to our Lewis & Clark theme and to the [Redacted] program.

So here are the slogans to vote for. I'd like to get 100% participation on this vote since neither Hillary nor Donald is a choice. Deadline to vote is by COB 12 July.

- A. The Road Less Travelled Is Much More Interesting

- B. The Hard Road Leads to Discovery
- C. Take the Hard Road, Discovery Awaits!
- D.  Explore – Discover – Know
