(U) NROL-76 Launch Patch Design

The Falcon represents the SpaceX Falcon 9 booster that will launch NROL-76.

The rifle represents command and power.

The spyglass represents the ability to see to the horizon and to explore the unknown.

The star field represents the on-orbit mission noted by the one bright star. The number and placement of the stars have no significance.

Lewis & Clark – Adventurers and Explorers

Lewis & Clark heading into the great unknown (staring to the west) to discover and explore the newly purchased Louisiana Territory and report back to the National Command Authority (President Jefferson). This mirrors [redacted] the NROL-76 program and our goal to explore new capabilities for the Intelligence Community. The slogan "Explore-Discover-Know" echoes this symbolism for the program.
