**Description:** What needs to be done? FOIA request from Michael Ravnitzky for "a listing of Booz Allen Hamilton contracts, including the statement of work from each contract between October 1, 2008 to the present." The Office of Contracts identified 12 BAH contracts within the requested time frame. Note: There could be multiple SOWs for the 12 BAH contracts.

Please review the specific documents for your element's equities. Should you find sensitive information that you feel should be withheld from release, please mark that information clearly, and provide the IRRG with an explanation of the harm in release for each instance in which information is marked for withholding.

(U) In performing the review for your element's equities, please remember that the FOIA requires a line-by-line review, and that reasonably segregable non-sensitive portions of documents marked as classified or FOUO should be released. *Keep in mind that, in many cases, simply deleting entire paragraphs or sections of a document because they include sensitive information is not necessary, and does not constitute a proper treatment for release.*

Please find your offices shared folder below. The folder includes the BAH contract(s) and a sub-folder for the SOWs for review.

To whom it may concern:

Pursuant to the provisions of the Freedom of Information Act, I hereby request the following records:

1. A listing/printout of contracts from NRO to the firm Booz Allen or Booz Allen Hamilton anytime between October 1, 2008 to the present. Please interpret the name of the contractor broadly, by this I mean that the name of the contractor may differ slightly but the term Booz appears in the name.

This is an individual NON-COMMERCIAL request. I declare upon penalty of perjury that I have no commercial intent or purpose in this request whatsoever. I have not filed any commercial requests with the NRO in the past, and I am not filing this request for any commercial entity.

This request falls squarely within the fee category "all other requesters".

I agree to pay statutory fees up to \$50 if necessary.

Sincerely,

Michael Ravnitzky

**Description:** **What needs to be done?** This is the second round of internal NRO reviews in response to a FOIA request for "a listing of Booz Allen Hamilton contracts, including the statement of work from each contract between October 1, 2008 to the present."

(U) Please review the specific BAH SOWs for your element's equities. Should you find sensitive information that you feel should be withheld from release, please mark that information clearly, and provide the IRRG with an explanation of the harm in release for each instance in which information is marked for withholding.

(U) In performing the review for your element's equities, please remember that the FOIA requires a line-by-line review, and that reasonably segregable non-sensitive portions of documents marked as classified or FOUO should be released. **Keep in mind that, in many cases, simply deleting entire paragraphs or sections of a document because they include sensitive information is not necessary, and does not constitute a proper treatment for release.**

Please find your offices shared folder below. The folder includes the specific SOW(s) for review.

(b)(3)

7/30/2013

(b)(3)

**Why it needs to be done?** (U) This review is mandated by the Freedom of Information Act, 5 U.S.C. Sec 552, as amended.
