Comments: 03/20/2014 15:41 -- (U) Thanks to and anyone and everyone who helped with this review. We really appreciate the thorough review and complete response.

(U) With regard to Col. Norman's name, it is generally held that Directors of major NRO components are considered to be "public figures," and that the names of individuals holding Director-level positions are releasable. Below the Director level, names are generally withheld citing (b)(3) 10 USC 424 and (b)(6). Any questions about this, feel free to get in touch.
