MAY 02 2013

(b)(3) 10 USC + 424

Dear Mr. Davis:

This is a request under the Freedom of Information Act as amended (5 U.S.C. 522).
I request copies of the following *Space Sentinel* articles:

SIGINT War Successes. (1,1) 2003
NRO Signals Intelligence (1,1) 2003
NRO Signals Preparations (1,1) 2003
NRO SIGINT Outlook (1,1) 2003
Changing the Face of Technical SIGINT 1, 2 (Winter 2004)
[Deleted] ELINT Geolocation Reaches the 4, 1 (Spring 2006).

The FOIA provides that if only portions of a record are exempted from release, the remainder must be released. I therefore request that I be provided with all nonexempt portions which are reasonably segregable. I particularly request that it be kept in mind that there may exist reasonably segregable portions of classified paragraphs. I also request that any present classified material be considered for declassification.

To permit an intelligent, informed decision as to whether or not to file an administrative appeal of any denial decision, I also request that you describe in detail the withheld records (or portions thereof) and explain the logical and factual basis for exemption claims. See Mead Data v. Department of the Air Force 566 F.2d 242, 251 (D.C. Cir. 1977).

I also request a fee waiver. The fee waiver provisions under section 552 (a) (4) (A) of the FOIA, as amended on April 25, 1987, rewrote section 552 (a) (4) (A) to create categories of requesters entitled to fee waivers. Under those provisions, I qualify for exemption from fees in the "news media" category. The U.S. Court of Appeals for the D.C. circuit has unanimously held that for FOIA fee waiver purposes "representatives of the news media" includes any individuals who regularly publish or disseminate information to the public. (See National Security Archive v. U.S. Department of Defense, No. 88-5217, D.C. Circuit, July 28, 1989, as well as Electronic Privacy Information Center v. U.S. Department of Defense No. 02-1233, United States District Court for the District of Columbia, January 16, 2003).

I easily meet this criteria as a result of my books and articles, which have appeared in a wide variety of publications. (A vita is available upon request). My books include *Defusing Armageddon: Inside NEST, America's Secret Nuclear Bomb Squad* (WW Norton, 2009); *Spying of the Bomb: American Nuclear Intelligence from Nazi Germany to Iran and North Korea* (WW Norton, 2006); *The Wizards of Langley: Inside the CIA's Directorate of Science and Technology* (Westview, 2001); *America's Space Sentinels: DSP Satellites and National Security* (University Press of Kansas, 1999); *The U.S. Intelligence Community* (Westview, 4th ed.1999); and *America's Secret Eyes in Space* (Harper & Row, 1990).

My articles and commentaries have appeared in *Scientific American*, *Air Force Magazine*, *Bulletin of the Atomic Scientists*, *Jane's Intelligence Review*, *International Journal of Intelligence and Counterintelligence*, *ISR Journal*, *Armed Forces Journal International*, *Defense Week*, *The National Interest*, *the Washington Post*, *the Los Angeles Times*, *the Boston Globe*, and *Newsday*.

My intended use of the material requested above, and in light of my extensive publication record, clearly meets the criteria established by statute and case law for preferred fee status under the FOIA as a representative of the news media. As such a representative I am entitled to have search and review fees waived. And given the contribution of my work to enhancing public understanding of the government operations I request that you also waive reproduction fees.

I am willing to pay photocopying fees associated with this request, but if it is expected that the fee will exceed \$25 I request that I be notified in advance.

I look forward to your response within the statutory time period. If you have any questions about this request, please contact me at [redacted] (phone), or at [redacted]

Sincerely,

Jeffrey T. Richelson

Mr. Jeffrey T. Richelson

(b)(6)

Dear Mr. Richelson:

This is in response to your e-mail dated 30 April 2013, received in the Information Management Services Office of the National Reconnaissance Office (NRO) on 2 May 2013. Pursuant to the Freedom of Information Act (FOIA), you are requesting you are requesting "the following Space Sentinel articles:

SIGINT War Successes (1,1) 2003
NRO Signals Intelligence (1,1) 2003
NRO Signals Preparation (1,1) 2003
NRO SIGINT Outlook (1,1) 2003
Changing the Face of Technical SIGINT 1,2 (Winter 2004)
[Deleted] ELINT Geolocation Reaches the.... 4,1 (Spring 2006)"

Your request is being processed in accordance with the Freedom of Information Act, 5 U.S.C. § 552, as amended. A thorough search of our files and databases located sixteen pages that are responsive to your request.

As an interim release, two documents requested, totaling four pages, are being released to you in part. The remaining four documents, totaling twelve pages, have been sent to another agency for review. Material being withheld is denied pursuant to FOIA exemptions (b)(1), (b)(3) and (b)(6), as explained herein:

(b)(1) is the basis for withholding information that is currently and properly classified information under Executive Order 13526, Section 1.4(c) and (g);

(b)(3) is the basis for withholding information exempt from disclosure by statute 10 U.S.C. § 424 which states: "Except as required by the President or as provided in subsection (c), no provision of law shall be construed to require the disclosure of (1) The organization or any function . . . (2) . . . number of persons employed by or assigned or detailed to any such organization or the name, official title, occupational series, grade, or salary of any such person . . . (b) Covered Organizations . . . the National Reconnaissance Office"; and

(b)(6) is the basis for withholding information which, if released, would constitute a clearly unwarranted invasion of the personal privacy of individuals.

Since we have been unable to provide a complete response within the 20 working days stipulated by the Act, you have the right to consider this as a denial and may appeal to the NRO Appeal Review Panel, 14675 Lee Road, Chantilly, VA 20151-1715 within 60 days of the date of this letter. It would seem more reasonable, however, to have us continue processing your request and respond as soon as we can. You may appeal any denial of records at this time. Unless we hear from you otherwise, we will assume that you agree, and will proceed on this basis.

If you have any questions, please call the Requester Service Center at (703) 227-9326 and reference case number **F13-0084**.

Sincerely,
