(U) Per our conversation, I've attached the NRO's previous two Submitter Notification coordination packages and Booz Allen Hamilton's Final Response Letter (Concur) dated 27 June 2014 for reference. This is probably information overload but I'd rather send you everything that has been accomplished up to this point.

(U) Before I can send the official (NRO) coordination package (3<sup>rd</sup> Set) for review, please provide the Booz Allen address to be incorporated on the official coordination letter and your title. I'll be preparing the coordination package this week. If you have any questions along the way, please do not hesitate to contact me.

We have another older case that we'd appreciate an NSA status update on (the case isn't yet one of the 10 oldest, but likely will be soon).

NRO case #F13-0087 (3 documents totaling 90 pages); an NSA response is the remaining agency to respond. The email below is the last correspondence we received from NSA on this case.

Please let us know the status of the case and an estimated completion date.

Thank you,

Dear :

We have received a request in accordance with the Freedom of Information Act, 5 U.S.C. § 552, to which the attached 9 pages of documents are responsive.

The portions of the documents redacted in black indicate the information to be withheld from the requester under appropriate FOIA exemptions.

To determine the releasability of the information contained in these documents and to give you the maximum protection under the law, we request that you review the attached documents and identify specifically (by page, line, column, paragraph, etc.) any portion of your information which you believe meets the requirements of Exemption 5 U.S.C. 552(b)(4). The information you feel qualifies for withholding should be bracketed in red pencil; do not obliterate with magic marker. In addition, we will need full written justification for how release of information you specify for withholding would adversely impact or cause harm to your competitive position or commercial interests. Assertions that "all information was submitted in confidence and must be denied" are not adequate for justification for application of the exemption.

Please provide your response within 30 days of the date of this letter (no later than 24 April 2014.)
