We still want [Redacted] to redact [Redacted] equities. The IART will coordinate with the other named government (b)(3)es for their equities. See various examples below for clarification. (b)(5)

- [Redacted] Also MOU reference number [Redacted] is redacted, please explain?
- [Redacted] is redacted, (b)(3) explain? Also under Part (G), the renegotiation is redacted? (b)(5)

If these really are [Redacted] related issues/equities please provide the IART with an explanation of the harm in release for each instance in which information is marked for withholding.

If you have any questions, please do not hesitate to contact me. We're always here to help.

Hi [Redacted]

~~(U//FOUO)~~ Just clarifying your response in the TIER action 2012-04312. You are advising us to ignore the guidance from the Review and Redaction Guide with regard to redacting names, signatures, phone numbers, job titles, sub-offices., etc.?

(U) We will comply, but just wanted clarification.

Thanks,

[Redacted]

Response has been replied to

Comments: 10/31/2012 13:39 -- (U) After review of [Redacted] treatment of the MOU's, the IART has determined [Redacted] has redacted other agencies equities (i.e. USAF, DISA, NSA, NGA, and NASA) in addition to [Redacted] equities. Simply redacting other agencies signatures, phone numbers, job titles, sub-offices, etc. is not considered adequate treatment.

(U) We request that [Redacted] re-review the MOU's in accordance with the original instructions. Please only redact [Redacted] equities. The IART will coordinate with all agencies named, as well as, [Redacted] If you have any questions, please do not hesitate to contact me. -- Submitted by: [Redacted]

~~(U//FOUO)~~ Greetings! Just an FYI that the redaction edits are completed per your request, verified by [Redacted] (b)(3) and approved by D [Redacted] Security Director. Heads-up some of the redactions were at the request of the Program PSO due to Program Sensitivities. All Highlights reflect FOIA exemption B1 or B3. Revised documents are located in the FOIA Response Folder. Thank you. ☺

I have a solution that will make it easier for you to highlight the document without having to print it out and manually highlight. If you've left for the day, I'll be in touch on Tuesday (off Monday).

See directions below:

- Right-click on document->select "Open With"->select "Chose Default Program"->select "Browse"->select folder "Acro Software"->open "CutePDF Pro"->select "CutePDF"

Once the document opens in CutePDF Pro follow these instructions for highlighting the document

- Click on the "Highlight" tool, then select the "Tool Lock On/Off" located in the tool bar, in order to continuously highlight the document, otherwise, you'll have to select the highlight tool for every redaction.

If you have any questions, please do not hesitate to contact me.

[redacted] we are working on the Greenwald FOIA request (2012-04312), but are not able to highlight the PDF documents on the share drive. We can print the EPI MOU out and highlight the redactions manually, but we can't do it online. In any case, I can finish this up on Monday if you let me know how you want us to handle it.
