

## Closure Memorandum

Case Number: 13-0005-1

Date of Entry: 07/10/2015

Investigator: 

(b)(3)

### Allegation Information

## Narrative:

~~(U//FOUO//LES//NOFORN)~~ Following NRO/OIG,  digital forensic analysis of the images and content retrieved from Subject's USG issued/owned laptop computer, OIG requested a review of several items of concern that appeared to be of underage children in various states of undress and sexually explicit poses, by members of Fairfax County Police Department's Child Exploitation Unit/Federal Child Exploitation Task Force. They concurred with OIG opinion concerning the questionable images recovered from Subject's laptop merited (b)(6) further action and recommended pursuing a search warrant for Subject's residence located in  Loudoun County, VA. The case was referred to Federal Child Exploitation Task Force initially which included OSI Special Agents from Joint Base Andrews. Loudoun County Sheriff,  was designated lead agent as Subject's residence was located in  Loudoun County, VA where a search warrant was issued/executed 1 November 2012. During the search of Subject's residence, several computers and associated digital storage media were seized and analyzed by Loudoun County Sheriff's deputies in their Forensic Lab. Several images along with those provided to the Federal Task Force by NRO/OIG,  were submitted to National Center for Missing and Exploited Children resulting in no known matches in their database. Additionally the suspect images were provided to a Medical Expert in Fairfax County (b)(6) law enforcement investigators for evaluation but were not in his opinion, considered adequate to support criminal prosecution. (b)(7)(c)

~~(U//FOUO//LES)~~ At such time as Loudoun County Sheriff's Office/Federal Child Exploitation Task Force determined there was insufficient basis to pursue prosecution, the case was referred to USAF/OSI agents from Joint Base Andrews for submission to the USAF JAG office at the base.  met with the assigned JAG attorney  and reviewed the evidence and details of the case for his consideration regarding JAG interests related to UCMJ.  indicated he planned to consult with his superior officers in pursuit of possible criminal prosecution.  left military service several months later and OIG was unsuccessful in identifying his replacement who took responsibility for this matter within the JAG command. In May 2015  was able to develop a possible POC in the JAG office and successfully made contact with  USAF/JAG JBA on 9 July 2015 via commercial telephone.  who was not involved in the case, assisted  by querying an internal case log database and verified that Subject received an Article 15 (non-judicial punishment) effective 9 May 2015.  was unable to provide any additional information. After consulting with OIG,  no further action is warranted by OIG and this case is recommended for closure. (b)(6)

## Last Investigative Step:

Confirmed with USAF JAG JBA-Subject received Art 15 (non-judicial punishment) 9 May 2014

Resolution:  Substantiated  Unresolved  Unsubstantiated  Referred

### Case Closure Justification

## Additional Information:
