Classification: ~~SECRET//TK//NOFORN~~

~~SECRET//TALENT-KEYHOLE//NOFORN~~

**GAO Review 100646: National Security Satellite Contracting
Data Collection Instrument Part 1 of 2**

(U) Purpose: The purpose of this data collection instrument (DCI) is to help GAO address the following research objective: *What contract and incentive structures does NRO use for satellite acquisition programs and why?* Depending on the responses provided by NRO, a program may receive a second DCI (Part 2) which will seek additional details on award fees, incentive fees, on-orbit incentives, and other types of incentives.

(U) Scope: The programs to be included in this DCI are all Designated Acquisition Activities (DAA) in the

(b)(3)

(U//FOUO) Instructions and Suspense Date: Save this MS Word file to your computer. You may then enter your responses directly in this file. Please complete the DCI by **COB September 7, 2016**. When your DCI is completed, email the MS Word file to [redacted] GAO, via JWICS at [redacted]. If there are extenuating circumstances that will prevent the DCI from being returned within the 2 weeks provided, or if there any questions about the DCI, please contact [redacted] or [redacted] (unclassified email).

(b)(3) 31 USC § 711

(U) DCI Contents:

- Section A – Point of Contact Information
- Section B – List of Relevant Contracts/Orders
- Section C – Contract and Incentive Information

(U) Section A – Point of Contact (POC) Information

~~(U//FOUO)~~ If we have questions about the responses provided in the DCI, we will contact the POC listed below.
