The PMP for [Redacted] is attached. I'm still tracking down if there was another Acq Board before 2012 for the program. That should be all I'm tracking down outside of making the PNMs available. Let me know if you're tracking something else outstanding.

These are the attachments that were in the Part 2 email. Sorry about that.

I'm still tracking down the PMP and ensuring there are no additional Acquisition Board Charts than the ones I already sent you.

Let me know if you have any questions.

Attached are the BASIC contract and most attachments for [redacted] In receiving these documents from the program office, I got the documents I'm sending you as a part 1 of 2 email. I never received the 2nd email, so we're following up to make sure there either wasn't as second email, or that we get whatever additional attachments there were out to you.

You are receiving these in 2 emails because I'm separating the GFE list attachment since it's 17+ MB by itself.

Let me know if you have any questions.
