Hi [Redacted] (b)(3)
This is outstanding! Many (many) thanks to all who contributed to this data collection effort.
I will be going through the DCIs myself, and if I have any follow up, I will contact you directly (as opposed to the individual named in each DCI), per [Redacted] instruction. I have one question now, regarding my ability to summarize for my team in DC some of the information contained in the DCIs.

To wit, can I describe the following, in an unclassified environment:
1) the number of programs for which we recieved DCIs (i.e., 10)
2) the ten (or more) contract types represented by Programs #1-10 (programs will be randomly numbered, no names)
3) rounded percentages of fee split for the 10 programs (i.e., hypothetically, can I tell them the fee split for Program (b)(3) is a [Redacted] of award/incentive fee)? (b)(4)

Thanks again, I am really impressed that your team was able to pull this together. We're still waiting on some of [Redacted] (b)(1)
DCIs... (b)(3)
Hats off!
