[Redacted] & [Redacted] – Thank you for the response and fast turnaround time. Appreciate the great support!

IMSO – As the originator of the TIER (2021-03858), is the format acceptable that [Redacted] has presented and populated into the folder(s)? If so, great. If not, please advise.

Thank you,

[Redacted] IMSO – Please see attached FOIA request that was tasked out by IMSO up to the NRO FO [Redacted].

NRO [Redacted] asked me to have COMM complete the FOIA search as it relates to the email mailbox search request for Dr. Scolese. The key words are listed in the attached .jpg as well as the date period coverage period (Aug 2019 – Oct 2021).

The other requirements in the TIER request have been fulfilled by [Redacted] (He completed the other searches and there were no hits).

After my discussions with [Redacted] this afternoon, it sounds like this is something that [Redacted] completes and has done in the past via [Redacted].

I'm sending this over to [Redacted] and including IMSO and [Redacted]. I'm not sure what approvals [Redacted] requires, if any, to initiate FOIA requests/searches for digital data so wanted to ensure [Redacted] was in the loop on this thread. I also included OGC for good measure.

Appreciate the support so we can close this for the NRO FO.

Thank you,

[Redacted]
