(U) MS&O 25th Anniversary Logo Design

(U//~~FOUO~~) MS&O is celebrating more than 25 years of providing exceptional mission support by delivering integrated solutions across the Enterprise, enhancing the well-being of the NRO workforce and assuring the availability of highly reliable infrastructure to our mission partners.

(U) Description – Side 1:

(U) The front side of the coin logo will mirror the look and feel MS&O's current emblem with two exceptions:

1. A silver border – this traditional anniversary color will represent the 25 years of MS&O service to mission
2. A simple, elegant silver banner placed in the center with the words: "Celebrating 25 Years"

(U) MS&O 25th Anniversary Logo Design

(U//~~FOUO~~) MS&O provides world-class mission support by delivering comprehensive, responsive and efficient products and services. MS&O also is an integrator of corporate infrastructure and support solutions, implementing real-time, 24x7 ground infrastructure operations monitoring and reporting for critical NRO facilities.

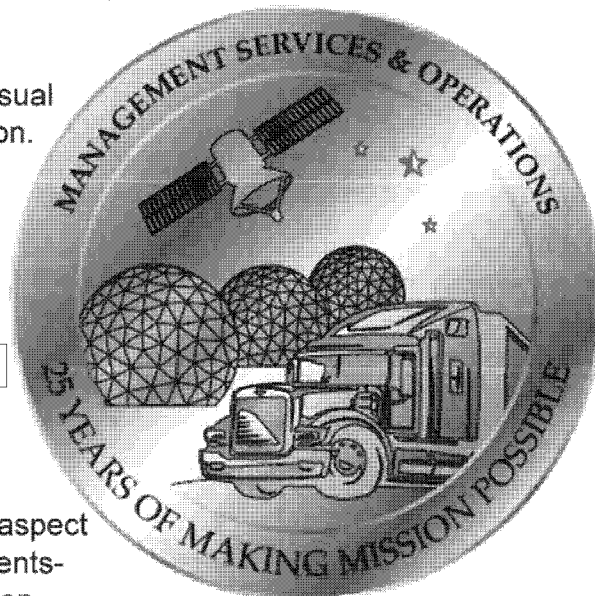

(U) Description – Side 2:

(U) The back side of the coin logo depicts several visual elements that define MS&O's support to NRO mission.

1. A generic satellite represents the NRO's mission, providing overhead reconnaissance in support of national security.
2. The radomes represent NRO's ground infrastructure.

[Redacted] A key aspect of MS&O's mission is to support our ground-based facilities.

3. The truck represents another important aspect of MS&O's mission: delivering requirements-driven solutions through our transportation services and supply chain management.

(U) Graphic is UNCLASSIFIED

(U) Note: No significance is implied with having three radomes and three stars; the purpose was to maintain visual consistency.
