(U) Detailed Patch Description

(U) The background is a darkened shade of "NRO Blue" as described in *NRO Brand Style Guide*, symbolizing cross-organization collaboration required for mission success

(U) The pack represents the solidarity of the nation leveraging and supporting the warning sentry. The 5 wolves show solidarity across the FVEY community.

(U) Additional Notes:
• Simple/modern design and typeface
• Standard shield layout easy to manufacture

(U) NROL-44 launches from Cape Canaveral AFS

(U) Gradient background centrally focused

(U) The falling snow is random with no specific meaning to placement or size. It represents the purity of our intentions and the serene calm of peace.

(U) The wolf's howl represents a warning to the pack as the first point of detection for signs of trouble. The wolf's voice is directed to the heavens, where the spacecraft is trained on its collection targets.
