To whom it may concern,

This is an appeal on the final decision on FOIA CASE F-2017-00088. In this case, I was given a full denial under (b)(1) and (b)(3).

I appeal this decision due to the fact that there should be, in my opinion, at least one segregable portion releasable to the general public. As proof, I would point you to the NROs own FOIA Reading Room which has excerpts on prior Congressional Budget Justifications on <http://www.nro.gov/foia/declass/frequent.html>.

I believe this, in itself, proves that at least a portion of the document can be released, and should not be classified IN FULL as your FOIA letter states.

In addition, I have also received personally extracts from previous budget justifications which I have archived here: <http://www.theblackvault.com/documentarchive/congressional-budget-justification-documents-agencies/>

This furthers the proof there should be at least some releasable portion of the document.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.
