OPTICAL TECHNOLOGY DIVISION
MEMORANDUM

September 9, 1971

To: L. Molaskey
From: J. Ross
Subject: Telecon Report • J. Ross 9/9/71

The undersigned called to advise that the shipping container for the RV-3 recovery will be tested on 14 September 1971 at the place of manufacture and delivered to Willow Grove on 16 September 1971 to be air lifted. Agreed that this date was acceptable, but commented that it was success oriented.
