CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D. C. 20505

OFFICE OF DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

20 March 1965

The Honorable Brockway McMillan  
Director  
National Reconnaissance Office  
Washington, D. C.

Dear Dr. McMillan:

With reference to your letter of 3 March 1965 requesting the technical data on FULCRUM, I am enclosing herewith a compilation of the charts employed in the Land Panel Briefing on 23 February.

As to the definitive reports from the contractors of work accomplished to date, I am informed that they have not been completed. Should you desire specific technical briefings, we would welcome the opportunity to have Mr. Maxey and his technical staff brief you as to any points you may ask. I trust that you will look upon Mr. Maxey and his staff as that technical arm of the NRO responsible for the FULCRUM program and for providing you with necessary briefings.

Faithfully yours,
