DEPARTMENT OF THE AIR FORCE
WASHINGTON

OFFICE OF THE UNDER SECRETARY

28 JAN 1964

Dear Mr. McCone,

In a memorandum to you on 12 December 1963 (5678-63), three positions within the NRO were identified which might usefully be staffed by qualified CIA personnel. To date, no nominations from the CIA have been received.

Of the three positions identified, the position of aircraft operations staff officer should be filled within the very near future because of the present lack on the NRO Staff of the necessary coverage and capability in this area.

It is still considered to be in our mutual interest to consider individuals from your organization for this post. In the absence of CIA recommendations, only two possible candidates with proper background and experience have been brought to my attention. If at all possible, it would be appreciated if any CIA nominations could be received by 14 February 1964.

Sincerely,

Signoa
