THE NRO STAFF

## MEMORANDUM FOR RECORD

SUBJECT: Status of ACDA Simulations

The NRO has been requested to perform [REDACTED] for ACDA who is represented by Mr. Bert Aschenbrenner. The last meeting was held in [REDACTED] on 8 May. At that meeting, [REDACTED] was requested to determine the 10-day period during September-October with relatively heavy cloud cover and to determine the probability of East Germany and Poland being completely cloud covered for 10, 8, 6, 4, and 2 consecutive days. The first and part of the second requirements have been accomplished.

[REDACTED] was requested to provide Mr. Aschenbrenner with a print-out of the SPS MBFR targets. This has been done.

Mr. Aschenbrenner was requested to provide [REDACTED] with the written simulation scenarios. These have not been received. He also desires to delay simulation until he decides resolution cut-off based on Project [REDACTED] results.

In anticipation of the simulation target, and area files have been created and are being held. Some of these may need to be reformatted slightly when needed.
