MEMORANDUM FOR DIRECTOR, CIA RECONNAISSANCE PROGRAMS

SUBJECT: System 17B (Heavyweight)

REFERENCE: Your memo, subject as above, dated 13 March 1973

The REWSON Project's request for two of the subject IDEALIST systems should be honored. It is well that systems no longer of anticipated use to our activities should be utilized by others to meet their requirements. Such uses should be encouraged.

It is assumed that appropriate security protection of the system's association will be provided.
