MEMORANDUM FOR THE DEPUTY SECRETARY OF DEFENSE

SUBJECT: Consolidation of U-2R Fleets

Following our conversation with Bob Naka on Tuesday, February 3, 1970, he reconvened his committee and produced a report with additional information on the funds provided by the Central Intelligence Agency and the Air Force in support of the U-2 Program. The attached report contains the NRP costs for the options we discussed, the "national cost" for the total program, the "national cost" with consolidation, and the cost of having the Chinese overflight capability [REDACTED]

I trust we have supplied you with the information you requested.
