OFFICE OF THE DEPUTY DIRECTOR

November 19, 1973

MEMORANDUM FOR: Associate Deputy to the DCI for the IC  
Director, Program A  
Director, CIA Reconnaissance Programs  
Director, Program C  
Director, Program D  
Director of Security, CIA  
Director, NRO Staff

SUBJECT: [redacted] Security

Over a period of time, compromises of the [redacted] Security System have occurred with increasing frequency. Because of this, the Director of Central Intelligence and the Director of the National Reconnaissance Office have asked that a group be formed to study the need for continued tight security controls for the National Reconnaissance Program. To accomplish this task, I am chairing a committee to scope the problem and make recommendations that will be beneficial to all parties involved.

Each addressee is asked to name a representative to this committee. The first meeting is scheduled for 2 p.m. on December 3, 1973 in the Pentagon, Room 4C-1000. Prior to the meeting I would like your thoughts on the types of problems that might be considered. Extensive narrative is not desired, but rather brief indications of [redacted] related security problems. Your listing should be all-inclusive, including policy problems and needs, in order that we can try to bound the problem at our first meeting. Please send your inputs to reach me by close of business on November 28, 1973.
