MEMORANDUM FOR MR. COYNE, PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD

SUBJECT: NASA - NRO Considerations

As a follow-on to my memorandum of 23 June on the above subject and a telephone conversation with Mr. Ash, of your staff, I have attached two documents which relate the recent and final deliberations of NSAN 158 Committee on the "Political and Security Aspects of Non-Military Applications of Satellite Earth Sensing."

Attachment 1 is a draft report on the problem prepared by Mr. U. Alexis Johnson's staff on the basis of earlier Committee discussions and the contributions of the participants.

Attachment 2 is the final report of the Committee as transmitted to the White House.

Paul E. Worthman
Colonel, USAF
Deputy Director
