NOTE FOR DR. FLAX

SUBJECT: Eaton Committee Final Report

Last week you passed to me a copy of the Eaton Committee final report (which you had received from Mr. Bross) marked for "Mr. Reber and General Berg -- Eyes Only." You indicated that for the present it should be held discreet and that Mr. Reber and General Berg should discuss the report with you. This copy is in General Berg's hands.

I have just received an official transmission of the report from Mr. Nitze, who asked your comments on the Eaton Committee report by November 15. Mr. Nitze plans to respond to the DCI's request with copies of the comments of appropriate elements of the DOD.

Mr. Nitze's memo (Tab A), the DCI's request (Tab B), and the official copy of the report (Tab C) are attached. No copies have been reproduced, nor has any other action been taken on the correspondence.

I will await an indication of your desires.

WILLIAM R. YOST
Lt Colonel, USAF

Col. KURTSMAN:

Mr. Flax has seen this Paul and now wishes to put together a response. Please take such preparation "in" - I suggest a starting point may be to review the earlier SS-5 action and Flax's paper meeting
