MEMORANDUM FOR AMBASSADOR PORTER, UNDER SECRETARY OF STATE

SUBJECT: NSAM 156 Committee SKYLAB Mission Review

Deputy Secretary Clements has forwarded the DOD comments to you on the review of the SKYLAB mission plan. The comments reflect my views and also reflect my concerns about the necessity for the careful planning of data review and dissemination processes. I believe that it is important to pursue a conservative schedule of ERS activity so that the existing freedom in space is not jeopardized for the conduct of the National Reconnaissance Program.
