MEMORANDUM FOR THE RECORD

SUBJECT: NSAM 156 SALT Ratification

I spoke with Mr. Gathright, of State, this morning. He informed me that there would be a meeting of the NSAM 156 Working Group called for probably next week. The group will address the SALT ratification impact on the NRP in terms of open Congressional discussion of the "national means of verification." Three weeks ago we requested Ambassador Johnson's consideration of this problem.
