DEPARTMENT OF THE AIR FORCE
OFFICE OF THE SECRETARY

MEMORANDUM

April 9, 1969

Genera...

Mr. Coyne's memorandum, attached,
addressed to the SAFRD was passed to

He has noted it to you, asking "should
he or would you notify Mr. Coyne." He
also asks if Dr. McLucas should act on the
material in the packet.

I have prepared, for your signature,
a response to Mr. Coyne advising him of
the change in command and indicating that
you would continue to serve as liaison in
particular reference to the request of the
last paragraph of his letter.

We are recommending no action on the
material in the packet -- since it is intended
as information and guidance. It does confirm
the new membership (which we have already
adjusted on our charts) and it does, for the
first time, give us an indication of the
Board's charge (albeit in the most general
terms).

B/G [Redacted]

I presume that this memo should have been addressed to Dr. Mehuca.

Dear Mr. Coyne:

"In making this decision, I have been mindful of my pledge to make every effort to move from an era of confrontation to an era of negotiation. The program I am recommending is based on a careful assessment of the developing Soviet and Chinese threats. I have directed the President's Foreign Intelligence Advisory Board -- a non-partisan group of distinguished private citizens -- to make a yearly assessment of the threat which will supplement our regular intelligence assessment. Each phase of the deployment will be reviewed to insure that we are doing as much as necessary but no more than that required by the threat existing at that time.
