~~RESTRICTED~~

Honorable Brockway McMillan  
Director, National Reconnaissance Office  
Washington 25, D. C.

Dear Brock:

When Pete Scoville was with us, he was the Deputy Director of NRO as well as the Director of Program B of NRO.

Under new arrangements which I have previously discussed with you, Mr. Eugene Kiefer is now the Deputy Director of NRO. With your concurrence, I wish to appoint Colonel Jack C. Ledford, USAF, who is presently in charge of our Office of Special Activities, as Director of Program B of the NRO.

If this is agreeable to you, I would appreciate it very much if you would make this appointment a matter of official record within the NRO so that the other Program Directors of NRO and the members of the NRO staff will know whom to contact in NRO matters of mutual interest.

Faithfully yours,

/s/

Marshall S. Carter  
Lieutenant General, USA  
Deputy Director
