LETTER

NOV 5-1956

SUBJECT: Information Pertaining to US 117L

TO: Director of Research and Development
    HQ, USAF
    Attn: AFDED-SS
    Washington 25, D.C.

1. Reference is made to the request contained in your TM AFDED-SS, 29 October 1956, for certain TOP SECRET information presented by representatives of the Western Development Division to the Coordinating Committee on Guided Missiles, OSD (R & D) on 26 October 1956.

2. Two (2) TOP SECRET charts were used during the presentation:
   a. One of those is that found on page 8 of the TOP SECRET Supplement to the US 117L Development Plan, 2 April 1956 which has been previously furnished to your headquarters. You are authorized to reproduce four (4) copies of this specific chart.
   b. In accordance with your request referred to in Paragraph 1 above, four (4) copies of the other TOP SECRET charts used in the presentation are being forwarded to you under separate cover.

3. It is requested that the Secretary of the Coordinating Committee on Guided Missiles be advised in writing that the information contained on the two (2) TOP SECRET charts in question is only tentative due to the present uncertain status of the Development Schedule for US 117L.
CONFIDENTIAL

It is further requested that the Eastern Development Division, Attn: MDT, be furnished a list of those personnel and their official positions who attended both the dry run of the I.S 117L presentation on 25 October 1956 and the actual presentation to CCXH on 26 October 1956.

FOR THE COMMANDER:

HAROLD H. MORTON
Colonel, USAF
Asst Deputy Commander

CHARLES H. TEHRUNE, JR.
Colonel, USAF
Deputy Commander
Technical Operations

Lt. Col. Odor
