Reference your WDZW-11-3-E, preliminary discussions with ARPA and Deputy Secretary of Defense indicate that the AF will assume responsibility for all Military Construction items in 117L program. Following specific guidance with respect to your request is furnished: (1) You are authorized to advertise for Northwest site pending receipt of funds. Before advertisement request that your Division re-review requirement so that complete justification for initiation of construction of this site in FY 1959 will be available to this Hq if required; (2) Authority is provided to utilize \$100,000 for site preparation of the Northeast site from presently available Ballistic Missile P-300
