FILE NO.

SUBJECT

RDGB Diary for Week 4-8 June 1956

TO WDD (WDGE)

FROM RDGB

DATE 14 Jun 56 COMMENT NO. 1
Major Hart/1f/308

1. Received a copy of a program (Ocean Gravitational Surveys) proposed by the U.S. Navy to provide capability for acquisition of gravimetric data. Parts of this program pertinent to WDD were extracted and forwarded to WDD for comment. (U)
2. Coordinated on a TWX to WDD exempting them from requirement for Project Cost Accounting. (U)
3. Talked with Colonel Ritland with reference to IREM-ICEM IOC. Advised Colonel Ritland that General Power wanted a briefing on 14 June at 1330 in his office. Prepared TWX confirming the telephone conversation. By subsequent request of General Schriever, this was changed to 0930, 16 June. (U)
4. Received letter from AFOAT requesting two copies of Volume II to the WDD Development Plan. Advised RDSTI, who will answer the letter, that this volume had been withdrawn and would be reissued later this month at which time AFOAT would be placed on the distribution list for two copies. WDD notified of the above by DF. (U)
5. Received four films on loan from WDD. Made arrangements to show two of these to General Power and interested staff agencies. The ones to be shown are the April ICEM/IREM Progress Report and the Ballistic Missiles Office. The films on IREM and Facilities will be shown to special groups as requested, inasmuch as they are mostly duplicated in the April progress report. (U)
6. Lt Colonel Oder visited CIA in connection with WS 117L. (Confidential)
7. This DF is Confidential since it covers in part dealings between WDD and CIA which are of a sensitive nature.
