WASHINGTON 25, DC

OPERATIONS ORDER NO.

TASK ORGANIZATION:

The Satellite and Missile Observation System (SAMOS) Project Office, a field extension of the Office of the Secretary of the Air Force, has been established at 2400 East El Segundo Blvd, El Segundo, California, per SAF Order No. 115.1, 31 August 60. (See Annex A) Brigadier General Robert E. Greer has been designated Director of the SAMOS Project Office, with additional duty as Vice Commander for Satellite Systems, AFBMD, ARDC. As Director of the SAMOS Project, General Greer is responsible to, and will report directly to the Secretary of the Air Force. In his dual capacity as Director of the SAMOS project and Vice Commander, AFBMD, he will exercise authority and control of the field management of the SAMOS program. Manpower and all necessary resources will be made available by AFBMD to support this office on the highest national priority. The resources and assistance of all ARDC Divisions and Centers will be made available as required.

1. GENERAL SITUATION:

The Deputy Secretary of Defense has directed the Secretary of the Air Force to assume direct responsibility for the reconnaissance satellite program (SAMOS), and to report for review and approval of the program directly to the Deputy Secretary of Defense. To assist in discharging his responsibilities for direction, supervision, and control of the SAMOS Project, the Secretary of the Air Force has established the SAMOS Project Office at AFBMD and the Office of Missile and Satellite Systems in the Office of the Secretary of the Air Force. He will appoint, as appropriate, a Satellite Reconnaissance Technical Advisory Group and has appointed a Satellite Reconnaissance Advisory Council. The SAMOS Program has been accorded the highest national priority, with the objective to obtain an operational capability for the United States at the earliest possible date.

2. MISSION:

Headquarters ARDC will, within existing capabilities, support to the maximum extent possible the development of the SAMOS Program. This support will include all functions normally considered operational and performed by other Commands and activities.

3. TASKS:

A. Headquarters ARDC will, in accordance with appropriate directives provide the necessary support to the SAMOS development program. An office, Assistant for Satellite Systems (RDRB-1) has been established for this purpose. The functions of this office will include the following responsibilities:

(1) Informs the Commander on all aspects of SAMOS development program.

HQ ARDC

OPERATIONS ORDER NO. 60-1 **CONFIDENTIAL**

CO-922

~~CONFIDENTIAL~~

(2) Monitors the program to insure consistency between its assigned priority and the resources applied against the program.

(3) Maintains cognizance of the activities of ARDC Divisions and Centers to include effecting coordination as requested by the Commander, AFBMD.

(4) Maintains a knowledge of the activities of the staff, Hq ARDC, to assist in accomplishing staff actions expeditiously.

B. Hq AFBMD will support the SAMOS development program to the extent possible from within existing resources. Such resources will not be at the expense of programs having equal national priority. Hq ARDC will be advised of any requirements beyond existing capability to provide. Maximum use will be made of the technical resources of the Aerospace Corporation and Associate Contractors. Subordinate units will be augmented wherever necessary by the employment of competent civilian scientific and technical talent. The programming and status reporting facilities of the AFBMD will be augmented as necessary to support this program.

C. Each ARDC Division and Center having an assigned responsibility in connection with the SAMOS development program will establish a single point of contact office, reporting directly to the Division/Center Commander, and will support the program in accordance with its national priority. The Assistant for Satellite Systems, Directorate of Ballistic Missiles & Space Systems (RDRB-1) is designated as the SAMOS point of contact within Hq ARDC and will report directly to the Commander, ARDC, on SAMOS matters.

D. Headquarters USAF has directed that the Air Force provide the necessary resources and assistance to assure the timely attainment of the SAMOS objectives.

E. The urgency of this program will require lowest safe security classification to permit expeditious accomplishment. Extreme care will be exercised by all concerned, however, to ensure the strictest "need to know" in order to protect the sensitive political nature of this program.

F. Specific supporting requirements are outlined in the attached

MEMORANDUM FOR THE SECRETARY OF THE AIR FORCE

SUBJECT: Reconnaissance Satellite Program

The Secretary of the Air Force will assume direct responsibility for the reconnaissance satellite program and will report for review and approval on the program directly to the Deputy Secretary of Defense. A project management structure will be established within the Department of the Air Force which will ensure that the USAF director of the program will report directly to the Secretary of the Air Force.

The principal staff agency to assist the Deputy Secretary of Defense on the program is the Office of the Director of Defense Research and Engineering (ODDR&E). The USAF project management office will keep the ODD&E fully informed, on a timely basis, concerning all matters pertaining to the program.

ORGANIZATION AND FUNCTIONS OF THE
OFFICE OF MISSILE AND SATELLITE SYSTEMS

1. Secretary of the Air Force Order No. 116.1, dated 31 August 1960, designated Brigadier General Robert E. Greer as Director of the SAMOS Project, with additional duty as Vice Commander for Satellite Systems, AFBM, ARDC, with duty station at AFBMD. It directs him to organize a SAMOS Project Office at AFBMD as a field extension of the Office of the Secretary of the Air Force. It specifies that Director of the SAMOS Project is responsible to and will report directly to the Secretary of the Air Force.

2. Secretary of the Air Force Order No. 115.1, dated 31 August 1960, established the Office of Missile and Satellite Systems in the Office of the Secretary of the Air Force. It provides that the Director of the Office of Missile and Satellite Systems is primarily responsible for assisting the Secretary in discharging his responsibility for the direction, supervision and control of the SAMOS Project. He is responsible for maintaining liaison with the Office, Secretary of Defense and other interested governmental agencies on matters relative to his assigned responsibilities. He may be assigned additional duties as deemed appropriate by the Secretary of the Air Force, and he will provide the Secretariat for the Air Force Ballistic Missile Committee.

3. The general management structure for the SAMOS Project is outlined in figure 1, attached. The Satellite Reconnaissance Technical Advisory Group will be appointed by the Secretary of the Air Force and will provide the means of obtaining the services of recognized experts from the scientific and applied engineering fields in the furtherance of the technical program. The Satellite Reconnaissance Advisory Council will be appointed by the Secretary of the Air Force to provide advice and counsel to him in the discharge of his overall responsibilities.

4. The internal organization and personnel assignment of the Office of Missile and Satellite Systems is outlined in Figure 2, attached. Following is a brief description of the principal duties of SAFMS officers:

OFFICE OF THE DIRECTOR

DIRECTOR

Responsible for conducting all actions of SAFMS in accordance with policy of and delegated authority from the Secretary of the Air Force.

DEPUTY DIRECTOR

Principal assistant to the Director, acts with full authority of the Director on all affairs of SAFMS. Responsible for overall direction, guidance, supervision, and coordination of the activities of the office.

EXECUTIVE OFFICE

Executive Officer, and Chief of the Executive

HQ ARDC
OPERATIONS ORDER NO. 60-1

Executive
Asst Executive

Office responsible for the general administration of SAFMS, including mail, security, records, inspections, personnel, travel, and overall office management.

EXECUTIVE SECRETARIAT OF AFBMC

Secretary
Asst Secretary

Executive Secretariat of the Air Force Ballistic Missile Committee for Missile and Space Systems. Handles all matters related to Committee Actions.

SATELLITE RECONNAISSANCE

Asst for Programs

Responsible for SAFMS duties concerning programming, funding, and schedules. Monitors, briefs and reports on all SAMOS launches. Maintains an active, working SAMOS control room for daily use. Responsible for actions incident to revising, processing, and maintaining the SAMOS development plan. Responsible for general briefings on the entire overall SAMOS Project, and for the preparation and maintenance of complete briefing material, aids and information on the overall project.

Asst for Electronics

Responsible for SAFMC duties concerning electronic payloads, ELINT, and related matters; weather aspects of the SAMOS Project; technical compatibility of electronic aspects of subsystem I, Space-Ground Communications. Responsible for NSA liaison and coordination. Responsible for maintaining current knowledge of booster and vehicle capabilities. Alternate to the Assistant for Instrumentation.

Asst for Photography

Responsible for SAFMS duties concerning photographic equipment and payloads and related coordination with other services and agencies. Responsible for photographic compatibility aspects of Subsystem I. Alternate to Assistant for System Engineering.

Asst for Instrumentation

Responsible for SAFMS duties concerning Subsystem I, its overall development, schedules, locations, tests, and overall technical design, overall data processing and handling of all SAMOS outputs. Also responsible for SAMOS recovery program, SAMOS command and control aspects, including centers and stations. Also responsible for MIDAS and DISCOVERER coordination. Alternate to Assistant for Electronics.

Asst for System Engineering

Responsible for overall system engineering aspects including interchangeability of payloads, system performance capabilities, mission variations, system growth possibilities, and relative priorities within the project. Responsible for necessary coordination with related and supporting R&D programs. Also responsible for special projects as assigned by the Director. Alternate to the Assistant for Photography.

COPY

SATELLITE RECONNAISSANCE
TECHNICAL ADVISORY GROUP

1. The services of recognized experts from the scientific and applied engineering communities shall be solicited as appropriate in the furtherance of the SAMOS technical program. Such services shall be rendered through the functioning of the Satellite Reconnaissance Technical Advisory Group.
2. The Satellite Reconnaissance Technical Advisory Group shall be composed of:
 - a. A permanent Standing Committee of four, which shall include recognized experts in the fields of electronics, photography, and data handling. The membership of the Standing Committee will be appointed by the Secretary of the Air Force.
 - b. Assemblies of technical experts representing pertinent scientific and engineering fields convened as occasions arise necessitating competent technical evaluation and advice in the prosecution of the Satellite Reconnaissance Program. Participation of such individuals in assemblies of the Satellite Reconnaissance Technical Advisory Group shall be by invitation from the Secretary of the Air Force. The Standing Committee shall preside at assemblies of the Technical Advisory Group.
3. Each assembly of the Satellite Reconnaissance Technical Advisory Group shall be chartered to consider specifically designated matters. Individuals invited to participate in Technical Advisory Group assemblies may vary for each assembly according to the nature of the matters under consideration.
4. Reports and findings of the Satellite Reconnaissance Technical Advisory Group shall be prepared for and submitted to the Secretary of the Air Force by the Standing Committee.
5. The Secretary of the Air Force shall, upon request from other government agencies in matters of national interest involving resolution of technical differences, direct the permanent Standing Committee to convene a special assembly of competent persons as determined by the Standing Committee, to consider the matter under request and to recommend appropriate resolution.

COPY

SATELLITE RECONNAISSANCE
ADVISORY COUNCIL

1. Recent changes in the SAMOS management structure have resulted in the establishment of a Director of the SAMOS Project at AFBMD as a field extension of the Office of the Secretary of the Air Force, and an Office of Missile and Satellite Systems within the Secretary's staff to assist him in the discharge of his responsibilities. The SAMOS Project will be managed within this structure, with no intermediate review or approval channels between the SAMOS Project Director and the Secretary of the Air Force.

2. In order to assist the Secretary in the discharge of his responsibilities, there is a need for an advisory agency to provide assistance, advice and recommendations as required. This agency will be the Satellite Reconnaissance Advisory Council.

THE SATELLITE RECONNAISSANCE ADVISORY COUNCIL:

Under Secretary of the Air Force, Chairman
Assistant Secretary (Research and Development)
Assistant Secretary (Financial Management)
Assistant Secretary (Materiel)
Vice Chief of Staff
Deputy Chief of Staff, Development
Assistant Chief of Staff, Intelligence
Director, Office of Missile and Satellite Systems

3. The Office of Missile and Satellite Systems will provide the Secretariat for the Council.

4. No alternates will be designated. Attendance will be limited to the members of the Council and such other individuals as may be invited to attend by the Chairman.

1. The Secretary of the Air Force has established:

a. An Office of Missile and Satellite Systems (SAFMC) in the Office of the Secretary of the Air Force to assist him in discharging his responsibility for the direct supervision and control of the SAMOS Project. The Director will provide the Executive Secretariat for the Air Force Ballistic Missile Committee. The Director, SAFMS, is responsible for maintaining liaison with the Office of the Secretary of Defense and other interested government agencies on matters relative to his assigned responsibilities. He may be assigned additional duties as deemed appropriate by the Secretary of the Air Force. Brigadier General Richard D. Curtin has been designated as Director of this office.

b. A Directorate of the SAMOS Project (SAFSP) at AFBMD as a field extension of the Office of the Secretary of the Air Force responsible to and reporting directly to the Secretary for management of the SAMOS Project. Brigadier General Robert E. Greer has been designated as Director with additional duty as Vice Commander for Satellite Systems, AFBMD, ARDC, with duty station at 2400 East El Segundo Blvd., El Segundo, California.

c. A Satellite Reconnaissance Technical Advisory Group and a Satellite Reconnaissance Advisory Council.

2. Effective immediately, the satellite reconnaissance program will be managed within the above structure. Further:

a. There will be no review or approval channels between the Director of the SAMOS Project and the Secretary of the Air Force. However, in order to maintain general project knowledge within those command or staff offices where such knowledge is necessary for program support or coordination of related matters, need-to-know briefings will be given on a periodic basis. Briefings will be given by SAFMS without request and not as a part of project management actions. Requests for briefings will be directed to the Secretary of the Air Force and will be approved on a strict need-to-know basis.

FOR OFFICIAL USE ONLY

HQ ARDC
OPERATIONS ORDER NO. 60-1

b. Visits to the SAMOS Project Office, El Segundo, California, will be for official business only. Requests for visits by other than specifically accredited contractors and agencies of the government whose business requires regular and frequent visits will be directed to the Secretary of the Air Force for approval.

c. The Director of the SAMOS Project is authorized direct contact with major commands to request support.

d. The Director, Office of Missile and Satellite Systems, is authorized direct contact with the Air Staff and other staffs and agencies to request support as required.

3. The Executive Secretariat of the Air Force Ballistic Missile Committee will be the responsibility of the Director of Missile and Satellite Systems. Pending resolution and clarification of Air Staff participation in the direction of Ballistic Missile and Space Programs, the Secretariat will continue to provide the Air Force Ballistic Missile Committee with a direct channel to the Inglewood Complex, Air Materiel Command, and the Air Staff. This will include the necessary arrangements for meetings and follow-on implementing actions. The Air Staff will keep this office fully advised on missile and space matters so as to insure maximum effectiveness for the Secretary of the Air Force and the Air Force Ballistic Missile Committee. Until more detailed operating instructions are issued, the Air Staff will continue to assist the Office of Missile and Satellite Systems in every way possible.

4. The high national importance accorded the SAMOS Project requires complete support and immediate response from all elements of the Air Force. All individuals and organizations of the Air Force are urged to provide the necessary resources and assistance to these offices to assure the timely attainment of missile and satellite objectives.

1. BUDGET:

a. The Budget Annex of the Development Plan will provide the basis for justifying the program fund requirements through all levels of review. It will include prior year funding, current year fund requirements, and one future year estimated fund requirements unless otherwise directed by the Secretary of the Air Force. The Development Plan will not contain support-type fund requirements. These will be included in normal Budget Estimates and Financial Plans submitted by supporting Centers, Divisions, and Commands.

b. After appropriation of funds by the Congress, the Financial Plan as approved by the Secretary of the Air Force will constitute the authority for all funding actions by Hq USAF. Funds allocated to the Commander, ARDC, will be sub-allocated to appropriate Division and Center Commanders. Military Construction funds will be allocated by Hq USAF directly to the Air Force Construction Agent, as designated by the Secretary of the Air Force.

c. Each Division/Center having a responsibility in this program will state support fund requirements to Hq ARDC. This will normally be accomplished in the Division/Center Budget Estimates and Financial Plans and revisions thereto. Fund requirements stated by each Division/Center in support of this program will be separately identified. In the event unprogrammed items requiring funding arise, and the Division/Center cannot absorb the funding within existing resources, the Division/Center involved will advise Hq ARDC of the additional fund requirement.

d. The AFBMD Budget Directorate will provide Budget Services to the Director, SAMOS Project, as required.

2. ACCOUNTING AND FINANCE:

a. The AFBMD Accounting and Finance Directorate will perform accounting operations for this program as prescribed in current directives.

b. The AFBMD Accounting and Finance Directorate will provide the same finance service to this program and assigned personnel as provided other programs and personnel assigned to AFBMD.

c. Each Division/Center will perform accounting operations as prescribed in current directives for funds received in support of this program.

ARDC
OPERATIONS ORDER NO. 60-1

3. STATISTICAL SERVICES:

a. Each Division/Center will provide normal statistical services in support of this program.

4. MANAGEMENT ANALYSIS:

a. The AFBMD Financial Analysis Directorate will provide the Commander AFBMD and the Director, SAMOS Project financial analysis services as required.

b. Each Division/Center Commander will insure that appropriate analysis is performed to provide him data to insure smooth implementation and accomplishment of his portion of the program.
