FOR GEN BLEYMAIER FROM GEN STEWART.

PART I. PER OUR DISCUSSION IN VALLEY FORGE LAST FRIDAY, THIS MESSAGE CONSTITUTES AUTHORITY AND DIRECTION TO NOTIFY ALL APPROPRIATE MOL CONTRACTORS THAT:

1. ALL FURTHER DEVELOPMENT EFFORT TOWARD AN UNMANNED MOL RECONNAISSANCE SYSTEM IN THE PRESENT PROGRAM HAS BEEN DEFERRED UNTIL AT LEAST FY 1972. MOL CONTRACTORS SHOULD THEREFORE IMMEDIATELY STOP ALL EFFORTS AND/OR EXPENDITURES UNIQUE TO THE UNMANNED MOL SYSTEM.

2. THE UNMANNED MOL FLIGHT VEHICLES 6 AND 7 HAVE BEEN REMOVED FROM THE PREVIOUSLY-PLANNED BLOCK I MOL PROGRAM. A FOURTH MANNED MOL SYSTEM LAUNCH (A NEW FV-6, IDENTICAL TO FV'S-3, -4, and -5) HAS BEEN SUBSTITUTED IN THEIR stead. THE NEW BLOCK I MOL PROGRAM THEREFORE NOW INCLUDES...
SIX FLIGHTS: THE PREVIOUSLY-PLANNED FV-1 AND -2 UNMANNED QUAL LAUNCHES;
AND FOUR MANNED, ALL-UP, 30 DAY RECONNAISSANCE MISSIONS AT APPROXIMATELY
SIX MONTH INTERVALS.

3. NO ACTIONS SHOULD BE TAKEN OR CHANGES MADE IN THE MANNED MOL
CONFIGURATION WHICH WOULD KNOWINGLY PRECLUDE POSSIBLE FUTURE MODIFICATION
TO AN UNMANNED MOL SYSTEM (AS PREVIOUSLY PLANNED).

4. AN APPROPRIATE CONTRACTOR-FUNDED AND IN-HOUSE GOVERNMENT STUDY
PROGRAM WILL BE CONDUCTED IN FY 1970. A DOD DECISION ON THE FOLLOW-ON
MOL PROGRAM OR ITS SUCCESSOR WILL BE MADE ON OR BEFORE DECEMBER 1970.
PART II. ALL MOL CONTRACTS WHICH REFLECT ANALYSIS, DESIGN, DEVELOPMENT,
OR PRODUCTION UNIQUE TO THE HERETOFORE UNMANNED MOL CONFIGURATION SHOULD
BE APPROPRIATELY AMENDED AT AN EARLY DATE. ADDITIONALLY, APPROPRIATE MOL
CONTRACTS SHOULD BE AMENDED TO REFLECT THAT FV-6 NOW IS A MANNED SYSTEM
FLIGHT IDENTICAL TO FV-3, -4, and -5... WITH REGARD TO THOSE MOL
CONTRACTS THAT SUPPORTED THE PREVIOUSLY-PLANNED SEVEN LAUNCHES WITH ITEMS
OR ACTIVITIES COMMON TO BOTH MANNED AND UNMANNED LAUNCHES (E.G. SEVEN
T-IIIM's; FIVE FLIGHT SETS PLUS SPARE FUEL CELLS, ETC.), USE YOUR OWN
JUDGMENT WHETHER TO AMEND THEM NOW OR WAIT UNTIL DECEMBER 1970. WHEN
CONVENIENT, PLEASE ADVISE ME OF ACTIONS OR PLANS WITH REGARD TO MARTIN,
ALLIS-CHALMERS, IBM, ETC, CONTRACTS IN THAT LATTER CATEGORY.

PART III. THE SYSTEMS OFFICE WAS ADVISED PREVIOUSLY THAT ON MARCH 19
SECRETARY LAIRD TOLD THE SENATE ARMED SERVICES COMMITTEE IN A NON-BYEMAN
Originating Officer:

BYEMAN CONTROL CHANNELS ONLY
Classification

Releasing Officer:

M/GEN JAMES T. STEWART
SESSION THAT THE ADMINISTRATION BELIEVED ALL MOL "OBJECTIVES" COULD BE MET WITH ONE FEWER LAUNCH AND THE FY 70 NOA REQUEST HAD THEREFORE BEEN REDUCED FROM $576 TO $556 MILLION. FOR YOUR INFORMATION, THE FIVE YEAR DEFENSE PLAN THEN REFLECTED $556 MILLION IN FY 70 AND $550 MILLION IN FY 71 FOR MOL. BOTH A BYEMAN AND NON-BYEMAN EXPLANATION OF THE CHANGE FROM A SEVEN TO A SIX LAUNCH MOL PROGRAM ARE BEING HAND-CARRIED TO YOU VIA COL SKANTZE THIS DATE. END MESSAGE.
