Redelegation of Procurement Authority

Deputy Director, Procurement and Production, MOL

1. Redelegable Procurement Authorities vested in the undersigned as are necessary to consummate the termination of close out of MOL DORIAN contracts are redelegated to Thomas W. Rutter within these limitations:

a. Contractual modifications requiring execution by a procuring contracting officer which are essential to the termination activity, such as funding actions and administrative notices.

b. Contractual correspondence requiring execution by a warranted individual.

c. Contractual modifications and contractual correspondence essential to the close out of completed MOL contracts.

2. The PCO warrant may be exercised without further review for new procurement actions up to \$100,000.00. This letter conveys authority for approval of MOL action by other PCO's up to \$500,000.00.

3. This redelegation is void upon the completion of MOL activities at SAMSO.
